

## Happy Fall!

*From: Shayna Schroeder, Director of Curriculum  
& Stacey Yarger, Director of Admissions*

October brings crispness in the air, sweaters, hot cider and family fun outdoors before the snow flies. We at First School will embrace all that October offers with enthusiasm and vigor.

### HALLOWEEN TRUNK OR TREAT!

We are planning an exciting Halloween celebration and you can come be a part of it! We are going to trunk or treat. You and your vehicle will come to First School and park in a spot. You will face your trunk to the main parking lot. You can decorate your trunk for Halloween, then you will stand by your trunk and pass out treats as the classes parade by. This will allow you to see your child and their classmates all dressed up for the Halloween celebration. We will have a specific day for each group of classrooms. After the parade, we will have each class stand in a designated spot and you will be allowed to take pictures. Then we will play some of our favorite songs and dance. Afterwards, you will be able to take your student home for the day. Please remember: Make your decorations kid friendly. The treats need to be pre-packaged. There can be treat bags but all items need to be purchased....please, no homemade treats. Also, please stay away from peanut and tree nut type candies. Small trinkets are also a great replacement for food. These could be stickers, glowsticks, tattoos, rings, etc. Please plan on 36 treats. This will give you a few extra if needed. Morning Trunk or Treat parents should arrive at 9:50 to set up their trunks and get ready for the trick or treaters and should plan to be finished by 10:50. You are able to take your child home at the end of the event. LUNCH BUNCH AND DANCE ARE STILL OCCURRING.
