Mini Days are a time for students and parents to find their teachers, explore their room, and get prepared for a fun year. Parents may sign up for volunteer opportunities. There are two room parents and many other ways to be involved.

Halloween & Valentine's Day Parties are parties for the children that are organized by parent volunteers. Parents and younger siblings are welcome to attend.

Father's Friday and Mother's Day programs are not to be missed! These programs involve songs, art, and family activities. We ask that you find other arrangements for siblings for Father's Friday and Mother's Day programs since this is a special one on one experience.

Parent Teacher Conferences are a time to communicate with your child's teacher and discuss the growth and progress of your child.

EggStravaganza, and Fun Days are special days for the children. Parents are welcome, but do not need to attend. Individual teachers may ask for volunteers.

Other Activities will be announced throughout the year such as picture day, and pajama day, and color of the month, etc.. Watch our email newsletters, teacher prepared monthly communication, take home calendars, and reminder slips for more details.
