Many thanks to the moms and dads who helped make our Valentine parties so successful. The children enjoyed all of the crafts, snacks and especially the exchanging of their Valentines. We're looking forward to Spring and finally being able to play outside.

ALL DAY KINDERGARTEN NEWS

We had a great meeting about our new ALL DAY K on 2/17 and were happy that so many families took the time to come and learn about the program. Please mention this new and exciting program to your friends and neighbors! And please call Marsha or Stacey if you'd like to learn more about it, as well.

FOCUS ON KIM DELGHINGARO

We are lucky to have a teacher like Kim who has much patience and love which she gives generously as she leads one of our 2 ½ year old classes on Tuesdays and Thursdays. In her spare time she shuttles around her 3 children to their activities and likes to walk or bike several times a week when able. She and her husband love hosting parties for family and friends and they always make time to read, on their own and to their children. Her hometown is Cincinnati and she's a big fan of the Reds, Cincinnati Zoo and the Museum Center.

When asked what she likes most about teaching she answered, "I love the fact that everything is new through the eyes of children. I love the excitement they have toward learning and experiencing new things. Every day that I teach I have at least one laugh- out-loud moment...because you never know what kids will say!"

Office Notes:

- Please make sure we know how to reach you while your child is in school.
- Your child's medical records need to be updated every year. Their yearly checkup is a good time to have that done. Forms are available in the office or on the First School website <http://www.FirstSchoolDayton.com>
