3455 to sign up today!

Garden & Insects

June 21-25

Children will be prepping,
planting, and tending a new
garden as well as exploring
insects in our gardens and
our community.

Science Kid

June 28-July 2

Based on the PBS Kids show,
Sid the Science Kid, campers
will be exploring science that
can be found in the backyard
and simple machines.

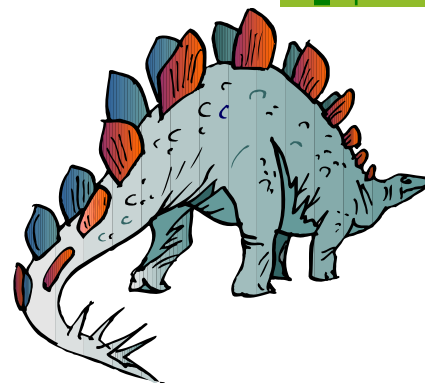

First School

Water Works

July 12-16

Campers will be discovering
the properties of water as
well as discovering the effect
of water in the First School
Garden and water play.

Dinosaur Days

July 19-23

Campers will learn about
several different species of
dinosaurs while exploring the
prehistoric world and honing
their observation skills.
