

Summer Camp

2011

9:00-12:00

3 and 4 year olds
(Must be 3 by April 1, 2011)

-Registration opens Monday, April 11th for current First School students.

-Registration for new students opens on April 25th.

-\$100 enrollment fee and health forms are due by the first day of each session.

EARTH

June 20-24

What do waterfalls, worms, and wombats have in common? They are all a part of our world! Children will plant and harvest from our First School Garden, explore animals from around the world, and explode a volcano in this action packed week!

OCEAN

July 11-15

What animals live in a coral reef and how is sand made? An under water adventure awaits our little pirates and mermaids this week. We will explore ocean creatures, features, and the properties of water for some fun in the sun!

Exploration

SPACE

July 18-22

Air, astronauts and aliens, Oh, my! We will explore the sun, our solar system, spaceships, and rockets in this spectacular week. We will also be creating space gear and building an enormous spaceship to culminate our week of space camp.
